BLUE SKY
 TALENT COMPANY

bloom
 Entertainment by Design

Songwriters Lorenzo Iannotti & Michelle Schembri-Lipscombe have written and recorded the song 'Blue Sky Angels' to raise money for Blue Sky Talent Company in Minsk, Belarus.

The song 'Blue Sky Angels' has a twofold message in its lyrics - to tell the story of the pain and suffering this community has endured through the lingering effects of war and to recognise the amazing work that Blue Sky Talent Company provide to support local orphanages, homes for people with disabilities and re-connecting families that have been separated through the war.

'Blue Sky Angels' will be launched at the Bloom Entertainment by Design Fundraising Event, Bloom to Belarus, in October 2013 and performed by LORENZO. All proceeds from the sale of this recording will be donated to Blue Sky Talent Company to provide assistance for their ongoing music programs.

1. Blue Sky Angels

Music can mend a broken heart
 Music can free a life filled with hope
 So, close your eyes and let my voice
 Take you where the blue sky shines so bright

Blue sky angels
 The blue sky angels
 With their arms wrapped around you

War has taken its toll
 There's so much hurt inside
 Memories linger in your mind
 Let yourself dream
 And be all that you are

The blue sky angels
 Falling down beside you
 With their arms wrapped around you
 To ease your pain with this song
 The blue sky angels

Children of Belarus
 The darkest days are gone

The power of music
 The power of giving
 The power of music
 The power of giving

The power of music

The power of music
 Blue sky angels
 The power of giving
 Blue sky angels
 The power of music
 Blue sky angels
 The power of healing
 Blue sky
